

8010 Apollo Home Entertainment Seating

Apollo, with its futuristic look, is sure to attract the attention of family and friends! The curved shape with ribbed backs and contoured seats provides maximum comfort for watching double features, playing video games, or just visiting with friends. The open outside arms on the -08P 2-arm and -11P/-12P 1-arm chairs have built-in USB/power strips located under the open armrest allowing users to plug-in computers, gaming equipment, phones, and tablets. The built in blue LED lighted cupholders and baserail add an exciting touch to any home theater or family room!
